COOK

SEPTEMBER 2019

Complete premium cookware range

Lid protects microwave from messy splatters

Leak-proof and airtight lid is ideal when taking meals or sauces on-the-go

The refillable bottle allows you to work with all oils and applies a thin even coat over roast vegetables and salads

Microwave, store, strain or pour all from the one large jug

Premium borosilicate glass will not warp, stain or absorb flavours

Mix, serve, store and microwave all from the one bowl
